THE DEAD COMMANDER.

Funeral Rites, Civil and Military, in Honor of General Slocum.

BROOKLYN, N. Y., April 17.—The funeral services over the remains of General Henry W. Slocum were held at 2 o'clock this afternoon at the church of the Messiah.

There was a large military and civic cortege, including state national guards, Grand Army veterans, representatives of the Loyal Legion and of the Army of the Potomac; also members of the legislature, board of aldermen and board of supervisors and various members of financial and social institutions, of which the dead commander was interested.

Services were conducted by Rev. C. R. Baker, assisted by Rev. Dr. R. Storrs who delivered the funeral oration. After the funeral rites in the church, the march to Greenwood cemetery was taken up and on reaching that historic burying ground, the body was placed in a receiving vault previous to final interment.

A military salute was fired, and this was followed by "Lights Out" by a bugler, and "Taps." All the public buildings in the city were closed at noon. About 5,000 men were in line and a vast concourse of people were stationed all along the line of march to witness the last rites of the great commander.

BANK WRECKERS TRIAL.

Testimony of Witnesses Show the Slick Methods of the Managers.

INDIANAPOLIS, Ind., April 17.—The morning session of the federal court in the trial of the Indianapolis National Bank wreckers was devoted to the showing of the fraud in the sale of the Boston branch of the Indianapolis National Bank company to Thomas L. Pierce of Boston. He had been an employee of the bank company and the day of its assignment to the Boston concern was transferred to him for his notes, and these notes were sold for a song at auction in New York. The fraud of the sale was brought out in relief and the government's case was greatly strengthened.

John M. Dickerman, president of the American Bank and Note company of Chicago, was called as a witness. He testified that he knew nothing of the \$40,000 in draft that had been drawn on him by the bank company and turned into the bank as collateral. It was during the noon recess that the shooting occurred in the office of W. H. Miller, ex-attorney general, by which A. C. Harris was shot and killed. George W. May, for the law firm of Vickers & Priebe, returned from the strip yesterday where he had been for several days attending court.

Charles E. King, who has been appointed Republican territorial commissioner for this county, and has issued a call for a mass convention of Republicans to meet here May 5 for the purpose of electing four delegates to the territorial congressional convention which meets at Oklahoma City on May 15. It appears to be the general belief that this county will instruct for Dennis Flynn as our delegate to congress.

Hon. L. Miller, county attorney of Finney county, Kansas, is here as one of plaintiff's counsel in the contest case of Alva M. Bowers vs. Eli M. Frazier now on before the supreme court at Topeka. The United States and office at this place.

The election held yesterday for the purpose of determining as to whether the county should have a place in the line of a victory for the friends of incorporation.

CLONE IN OKLAHOMA.

KANSAS CITY, April 17.—A special to the Journal from Guthrie, Oklahoma, says: A cyclone passed over the country yesterday morning, and in the line of the great damage. In Lincoln county four houses are reported demolished and several people injured, and over the line in the Fort county a team house was wrecked and two people killed.

STAND BY THEIR PASTOR.

GUTHRIE, O. T., April 17.—The Presbyterian congregation that went to Perry yesterday to declare the pulpit of the First Presbyterian church vacant and instruct the congregation to receive a Princeton graduate in place of their old pastor, returned today without having accomplished their mission, as the congregation refused to allow him to take any action and declared they had called their old pastor in good faith; that he was doing good work and they would retain him, retaining him no matter as the Presbyterian or the home mission committee said.

A HUMAN BRUTE.

OMAHA, Neb., April 17.—Hosey Frank, went to the house of Mrs. West, at 723 North Fourteenth street tonight and assaulted Mrs. West. He and roomed there but had been put out for making indecent proposals to Mrs. West. When he sought to outrage her tonight she pursued him as he could not accomplish his purpose. As a result, he was taken to the hospital, then seized her left arm in his mouth and tore it as a dog would tear a sheep. He bit out a large portion of her cheek, and then jumped with both feet in her face threw a lighted lamp at her. Mrs. West's screams brought assistance just as the lamp exploded. Frank was locked up. Mrs. West's injuries are dangerous. She was bitten seventeen times.

FREE SILVER WON.

ASTORIA, Or., April 17.—The Democratic state convention met here today. There was a lively contest over the election of a chairman. A free silver man was finally chosen, after the appointment of committees the convention took a recess.

IN TREBLE CLEF.

CHICAGO, April 17.—The suit of Joseph Hoffman, first of thirty suits brought against the World's Fair by Chicago musicians for violation of contract, was decided in favor of the exposition by Judge Keweenaw today. The suits were brought because of the discharge of the musicians before their contract expired, they having refused to comply with a non-union Cincinnati band.

## OUTLAWS AT LARGE

NEWARK JAIL-BREAKERS ABET TORS MURDER A SETTLER.

Ed Wintermute Shot Down in Cold Blood by the Four Bandits Who Effected the Jail Delivery at Newark Last Night—Murderers Headed for Cheyenne Country—Bill Dalton Suspected. Posses in Hot Pursuit.

## Special Dispatch to the Daily Eagle.

PONCA, O. T., April 17.—The outlaws that effected the bold jail delivery at Newark last night passed about fifteen miles west of here this morning at 3:30 o'clock. Ed Wintermute, a bounty man from Sedan, Kan., had just left his cabin when he met four men well armed and mounted. When the party reached Wintermute's house they dismounted, burst in the door and began to ransack the place, ostensibly hunting food. The appearance of the men had aroused Wintermute's suspicion and seeing them dismount he returned, surprising them, whereupon the leader pulled his revolver and fired, killing Wintermute instantly. Remounting they rode hastily away, taking a southerly course, heading for the Cheyenne country.

Nine of the gang have been positively identified but it is thought that Bill Dalton is its leader. A posse led by Marshal Crouse left here at noon today in pursuit.

## NOTES FROM GUTHRIE.

Fine Rains—Good Crop Prospects—Accidents—Educational Matters.

GUTHRIE, O. T., April 17.—[Special.]—The heavy rains and hot days have brought the pasture out in great shape. Wheat and oats promise a great crop this year, corn is coming up nicely. Planting and cultivating is being pushed.

Fritz Sidespinner found his pet bear awake and ready to eat when he went to wake him from his winter's repose in the ice box in the rear of the house. He made his first meal on Fritz' thumb. Fritz says the butcher will have him ready to eat again in a few days.

Willie Stiles, son of our county treasurer, is very sick.

James McCombs, ex-county surveyor of this county while on work on the carpentry of the Pabst Brewing company's building, fell from the second floor a distance of about twenty feet. He will probably live.

The county commissioners concede that the county will have to build houses for the separate colored schools. The school board of education will go right along with their colored school building and ask the county to refund the money.

The school will celebrate the fifth birthday of Guthrie next Friday evening. They will render an unusually good programme at the opera house.

## THE WESTERN RESERVE.

Good Rains Revivify All Nature—Political and Other Points.

ALVA, O. T., April 17.—[Special.]—The rain of Friday and Saturday nights was very heavy, amounting to 3.10 inches. The rain began about 5 a. m., and continued without any check until the same time Saturday morning. As a result new life has been breathed into our people. Grass is coming in splendid shape and the farmers are busy as bees breaking and sowing and planting their spring crops.

George W. May for the law firm of Vickers & Priebe, returned from the strip yesterday where he had been for several days attending court.

Charles E. ## ON THE QUI VIVE.

WASHINGTON, April 17.—While the police authorities of Washington are not making known their plans in advance, they are laying active preparations to receive General Coxey and his Commonwealth army. Two members of the detective branch of the force, Officers Quinlan and Boyd, went to join the army at Cumberland, Md., and are expected to return to the city tomorrow.

Colonel Redstone, the local agent of the Commonwealth, visited police headquarters to labor with Inspector Hollingherger and convince him the purpose of the movement is beneficial. He represented that the crusaders are all law abiding men and declared they would remain in to wait but a few hours.

## FRISCO'S SECOND DETACHMENT.

SAN FRANCISCO, April 17.—The second regiment of the industrial army stars east tonight in twenty Southern Pacific box cars for Mojave, where they are turned over to the military authorities. The total cost of the transportation per car is \$100. The army is
